The CVs for Glenn Garrels and Dr. Veronique Valierie are attached hereto. Can you be more specific re "underlying documents" that you request? For a discussion of the trial stuff, David and I will be on vacation from 8/9 to 8/24. I will be in Brazil and he will be in Australia. Although a Sunday, do you have any availability on 8/25? The next day I am free is Tuesday, 8/27.

Best wishes,
